

## True Measure of a Man

### Chapter 5

1. What legends did you believe when you were young? Hint: What was the moon made of? What about the smiling moon? Step on a crack and then what? What else?
2. List out the false doctrines of the world today? Maybe look at wisdom, character and relationships and talk about how the world views these.
3. What is the point of going to a small group or hanging out with folks who believe about God as you believe? How do relationships help or hurt someone in their pursuit of God?
4. What would be Step One in beginning a pursuit of God? If you aren't sure, ask yourself about why Jesus came to this world.
